Re: Schedule of Events

Welcome to the 2010 Golf Season. Please find enclosed the Schedule of Events for the 2010 Golf Season. This Schedule could change throughout the season so please do not hesitate to give us a call if you have any questions.

The season begins with the first tournament on March 28th with the Men's Chili Open. In April we begin free golf lessons for those who are interested with Women starting on April 13th and Men on the 14th. These lessons are open to the public so if you have friends that may be interested in golf bring them along. Women's League begins on Tuesday April 27th and the Men start on Wednesday April 28th. Remember Men's League is limited to members, while Women's League is open to both members and nonmembers. Please call or stop by the Club to verify your team's participation.

We again will have a full schedule of Men's Golf Events highlighted by the Member's Cup. If you play in a Member's event you will receive participation points that accumulate throughout the year. If you accumulate half the points you will receive a gift certificate for your participation.

You may notice that the junior golf camp is scheduled for June 21st - 25th. This camp is open to all junior golfers in the area and is free of charge. This year's camp will be highlighted by a clinic held on Friday the 25th given by former members of the Club such as Dan Budzius, Ed Slattery Mark Clavey, and Brian Bossert who have made golf their professions. The afternoon festivities include a Dwight Township High School Alumni Outing benefiting junior golf at the Club.

Even though we have a full schedule and several outside outings have been scheduled-please call if you have questions about course availability. Even if there is something scheduled you still may be able to play so please give us a call. To check course conditions call Dennis' hotline at 584-9883.

It has been a very trying couple of years for the golf industry. We at Dwight Country Club continue to count on your support for the continued success and affordability of Dwight Country Club. DCC is OWNED by each and every one of you and we hope when planning a party or just a dinner out that you choose DCC. Remember, refer a new member by May 31st and receive a \$100 gift certificate to the Clubhouse. The \$250 new member assessment is waived until this time. Please bring any prospective members to our New Member Open House on Saturday February 20th from 1-4p.m. The Board is still exploring the possibility of building a new equipment/cart shed so now is an excellent time to sell the benefits of being a member at DCC.

Please give us a call if you have any suggestions or questions. Thank you for everyone's support and we hope 2010 brings everyone good health and great golf.
